# Stratford Tennis Club

Thank You for your interest in the Stratford Tennis Club. Stratford was chartered in 1977 to promote tennis and well being in the Danville community and we welcome the opportunity to meet with you and your family to discuss the sport, the community, and joining the club. We are always interested in new members and invite you to be our guest to try out the courts.

Recently the Stratford Tennis club was selected by the NCTA as the Danville area Tennis Welcome Center. Stratford Tennis Club is a private facility with 6 professionally maintained Har Tru tennis courts with three lighted for night play.

We welcome your interest in the Club. Our goal is to provide you with the opportunity to participate in a variety of tennis activities or to just enjoy playing tennis with good friends.

Thank you and we look forward to meeting you in the near future.
